"A Special List of Housing Research Publications." Between 1948 and 1954, the Housing and Home Finance Agency carried out a general housing research program which resulted in the publication of a number of technical reports. This research program was terminated in 1954, and many of the reports are out of print. However, for a complete listing of those still available for purchase from the Superintendent of Documents (see above for address), write to Housing and Home Finance Agency, Washington, D.C. 20410, and ask for "A Special List of Housing Research Publications."
