

Areas Where FY 2019 FMRs Become Effective January 30, 2019

Item 4 within Section VI of the FY 2019 Final FMR Federal Register Notice (83 FR 170, page 44649 available at <https://www.huduser.gov/portal/datasets/fmr/fmr2019/Federal-Register-Notice-2019.pdf>) provides “On Monday January 14, 2019 HUD will post...a listing of the areas failing to deliver data and making the FY 2019 FMRs effective in these areas.” Due to the lapse in federal appropriations, HUD staff was not available to review submitted data until January 28, 2019; therefore, this announcement was delayed. The following areas did not submit additional data suitable for reevaluation of the areas’ FMRs; consequently, these areas may no longer use FY 2018 FMRs. Effective January 30, 2019 the following areas are required to begin using FY 2019 FMRs.

1. Stamford-Norwalk, CT HMFA
2. Transylvania County, NC
