

Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (Uniform Act or URA)

FY 2004 Low Income Limits

Effective __/__/2004

NOTE: The attached tables provide low-income limits for use in calculating a rental assistance payment in accordance with 49 CFR 24.402(b)(ii) of the Uniform Act regulations.

*** Family Size Adjustments (Families with more than 8 persons)**

Low-income limits for families with more than 8 persons are not included in this list because of space limitations. In order to calculate the low-income limit for families with more than 8 persons the following procedure should be applied:

Add 8% of the four-person low-income limit to the eight-person limit for each family member in excess of eight persons to the eight-person low-income limit. For example, the low-income limit for a 10-person family would equal the eight-person low-income limit plus 16% ($2 * 8\%$) of the four-person low-income limit. After calculating these income limits, they should be rounded to the nearest \$50.
