**Map**

- Transaction Structuring
- Project Implementation
- No Longer in Demonstration

**Key**

- Reduced arrests
- Reduce emergency room and inpatient use
- Increase housing stability
- Reduce psychiatric hospitalizations or other service utilization
- Reduce prison or jail days
- Reduce emergency room visits
- Reduce inpatient days
- Reduce recidivism

**Note:** HUD DOJ Pay for Success Permanent Supportive Housing Demonstration is testing a promising model for financing permanent supportive housing through private and philanthropic investment for people experiencing homelessness with frequent contact with criminal justice, homeless services, and health care systems. Reflects progress through June 20, 2018.

### Target Populations & Target Outcomes

#### OR - LANE COUNTY
**Target Populations**
- Released from state prison into Lane County with a medium to very high risk of recidivating
- History of housing instability (identified by a housing assessment)
- Priority for women, families, or clients with criminal histories (e.g., sex crimes) excluded from other federal housing options

**100-200 Participants**

#### RI - RHODE ISLAND
**Target Populations**
- Frequent users of Department of Corrections, homeless shelters, and Medicaid services
- Specific criteria under development

**125-160 Participants**

#### TX - AUSTIN/TRAVIS COUNTY
**Target Populations**
- People whose cumulative criminal justice, healthcare, shelter, and emergency services costs place them in a cohort of roughly the top 500 most expensive homeless users of those public services.

**100-250 Participants**
